**HESLIN ROTHENBERG FARLEY & MESITI P.C.
ANNOUNCES THEIR SHARED SPACE WITHIN TROY
INNOVATION GARAGE**

Albany, NY: Heslin Rothenberg Farley & Mesiti P.C., is pleased to announce its membership with the Troy Innovation Garage (TIG) in Troy, New York.

Matthew Hulihan, an Associate with Heslin Rothenberg Farley & Mesiti, will be working in a private suite at TIG as a resource for

TIG community members and affiliates to help address their intellectual property law needs. Mr. Hulihan is part of the firm's Computer Science and Electrical Engineering group. He focuses primarily on patent prosecution utilizing his computer software and technology expertise, and trademark protection.

TIG is an entrepreneurial ecosystem for creative companies where ideas run free and people have the resources they need to fully tap their potential. They understand the importance of both focus and fun, and realize that a co-working environment is the best way for driven entrepreneurs to succeed.

"Heslin Rothenberg Farley & Mesiti is excited to be a part of such a unique opportunity to share space with different people and companies in the community. It is a great fit for Matt to have an

office within the TIG co-working environment” said Nicholas Mesiti, the firm’s Managing Partner.

About Heslin Rothenberg Farley & Mesiti P.C.: Heslin Rothenberg Farley & Mesiti P.C. has been protecting their client’s intellectual property since 1970. With offices in Albany and Rochester, it is the largest intellectual property law firm in upstate New York dedicated exclusively to representing clients in the protection and commercialization of intellectual property, both domestic and foreign, including patents, trademarks, copyrights and trade secrets. The firm has gained national recognition in the area of Intellectual Property Law and was listed among the “Top Patent Firms” and “Top Trademark Firms” in *Intellectual Property Law Today*. In September of 2016 seven of the firm’s attorneys were named as Upstate New York’s “Super Lawyers” by the publishers of Thomson Reuters, in the area of intellectual property law and litigation.
